Commissioners' Report

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Rockingham County, herewith, present the annual report of the County Commissioners, Treasurer, Superintendent of the County Farm, Superintendent of Mitchell Memorial Hospital, Clerk of Superior Court, County Solicitor, Sheriff, Farm Chaplain, Farm Physician and Auditors for the year ending December 31, 1939.

The efficient service and the co-operative spirit of Superintendent George W. Hilton and Matron Dorothy Hilton have been of very great value to us during the past year. The Farm is being operated in a manner highly satisfactory to the Commissioners.

The Infirmary has been very efficiently cared for by Mrs. Gertrude L. Simpson, R.N., and the medical needs of all the inmates have been very well provided for by Dr. Fred Fernald.

With regret we announce the resignation of Miss Doris E. Whitman, R.N., as Superintendent of the Mitchell Memorial Hospital, who gained for the Mitchell Memorial Hospital, in its second year of operation, approval by the American College of Surgeons.

However, we feel we were fortunate in securing to replace her, the services of Miss Elin M. Nelson, R.N., under whose supervision the same high standard is being maintained.

On August 1st our second year of operation of the Mitchell Memorial Hospital was completed. On this date, County Investigator George E. Frame of Exeter was appointed Business Administrator to properly classify admissions, pursue collections, care for purchasing and generally coordinate and perfect all the business factors of the hospital. His complete success in this direction leaves us deeply appreciative of the high type of efficiency he has demonstrated.

In releasing the Superintendent from these duties, the position of Operating Room Supervisor was eliminated, those duties being transferred to the Superintendent, thus reducing the payroll.

By the employment of Dr. Edwin B. McLean of Portsmouth as full-time Medical Director and by a very fortunate arrangement made with two surgeons, both members of the American College of Surgeons, Dr. Lawrence R. Hazzard and Dr. Lester R. Whittaker of Portsmouth, costs of medical and surgical service to the County and to the Towns were very appreciably decreased, and will be in continuance through the coming year.

We have always been faced with the housing problem for the personnel and during the year rooms have been made available on the third floor for the Superintendent, Record Librarian, Laboratory Technician and an emergency room for the doctors.

In the basement an office for Dr. McLean and a record room for the Record Librarian have been built.

In the past the food supplies for the patients have been drawn from the County Farm store room and in order to have better control of these supplies, a store house has also been constructed at the Hospital.

By moving the office on the first floor to what was the reception room, space has been made available for four additional beds. A large reception room is now located in the basement in the space formerly occupied by the ambulance.

The matter of placing actual costs at this Hospital is extremely difficult because of the fact that its heat, light, laundry and telephone service is obtained through the County Farm and its entire personnel and all its patients are fed by the County Farm. This compels us to reach as accurate an estimate as possible, then making this charge upon the Hospital and crediting same to the Farm.

Hospitalization of all direct relief cases has this year been paid from direct relief funds to the Mitchell Memorial Hospital. This expenditure, plus payments for doctor's services prior to the present arrangements, have caused an overrun on direct relief appropriations.

However, by this procedure, coupled with the present arrangement with the House Physician and Surgeons, the hospitalization and treatment of County and Town relief cases is made available at costs substantially less than available elsewhere.

Direct relief continues to be our major problem. Changes in the Relief Law, effective June 1st, 1938, whereby, all chronic cases (those having had five years assistance from any town or city) become our obligation, are constantly increasing our relief expenses. These are averaging one hundred families per year. As this burden shifts from Towns to County, the relief burdens of the Towns decrease proportionately.

The financial condition of the county is sound, as evidenced by the fact that borrowings have been made at the lowest rate in the history of the County. The net debt of the County has been decreased \$4,680.14.

To all those in the employ of the County, officials of the Towns, the City of Portsmouth, to all the Physicians and Surgeons who have so generously contributed their services at the Mitchell Memorial Hospital, to Clubs and organizations and all who have aided in the administration of County affairs and have kindly contributed to the welfare and happiness of the inmates of the institution, we are sincerely grateful.

Respectfully submitted,

ALVIN E. FOSS,

MAHLON C. CURRIER,

IRVING W. MARSTON.

In addition to the foregoing matters in Superior Court, the Solicitor, at the requests of the Sheriff's office, State Police or local police, has made forty-two appearances in the various Municipal Courts of the County. These cases consisted in part of non-support complaints, motor vehicle violations, and offenses beyond the jurisdiction of the Municipal Courts.

During the past year, the presence of slot machines

in certain sections of the County was brought to our attention. Raids conducted by the Sheriff resulted in the seizing of some forty such machines which will be confiscated and the money found therein turned over to the County Treasurer. Six other slot machines were seized by Chief Harkness of Hampton and the offenders prosecuted by the Solicitor.

A large horse betting establishment was raided and the equipment seized and confiscated. The proprietors were arrested and convicted.

In addition to the criminal work, advice has been given from time to time to the various County officers and welfare agencies.

I wish to commend Sheriff Frink and his Deputies, and express my appreciation for their co-operation in the discharge of our respective duties. It has also been a pleasure to work with the police of the various towns and other town officials, the State Police and welfare agencies. I have received from them every courtesy and co-operation.

I wish to express my appreciation to the citizens of the county for the opportunity of serving them as Solicitor and have endeavored to discharge the duties of the office in accordance with the requirements of the law.

Respectfully submitted,

STEPHEN M. WHEELER,
County Solicitor

EXETER, N. H., December 31, 1939.

Sheriff's Report

To the Commissioners for the County of Rockingham:

Gentlemen: I hereby submit my report as Sheriff for the year ending December 31, 1939. I wish to thank at this time all those throughout the State and County who have helped in any way to render assistance to this department. We are proud of the fact that again this department has been able to keep within its appropriation, although this was cut by your County Delegation somewhat at the time when they made up the budget. I wish to particularly thank Major Ralph Caswell and Lieutenant Cleveland Percy of the State Police for their fine co-operation and assistance during the past year.

In accordance with the custom of other law enforcement departments throughout the State, we have this last year purchased for the Jail a Police Radio. This was paid for from the yearly appropriation for 1939, and we had an unexpended balance on hand December 31, 1939 of \$66.03. Seven of my deputies and myself have installed, at our own expense radios in our cars, whereby at all times we can be immediately contacted through the medium of the broadcasting station at Concord.

I am very proud of the fact that I had one of the few County departments that kept within its appropriation, and the only other department that I had anything to do with was Superior Court, which only exceeded its appropriation by \$1,036.72, and when you come to consider, it is the first time within ten years that Superior Court has not had an additional appropriation of \$5,000.00 when the County had a murder trial on its hands. The Sprague murder trial cost very nearly \$5,000.00, which really brings our expenditures two to three thousand dollars less than they have been

for Superior Court anytime within the last ten years whenever we have had a murder trial.

I wish at this time to publicly thank the Commissioners, County Solicitor Stephen M. Wheeler and Probation Officer Philip Caswell for their fine co-operation and assistance.

I also wish to pay tribute to the late Henry Cheallis of Plaistow. His work as a law enforcement officer and Chief of Police in his community was always most courteous and efficient. To his family our department extends our sincere sympathy.

Again, as in the past, I wish to state that our department is always ready and willing to render the best possible service for the protection of those within our County. A large percentage of the cases indicted at the last two terms of Superior Court by our Grand Juries were brought in by the Sheriff's department. This bears out in our County, as well as in the larger cities, that crime can best be investigated by plain-clothes men. Please feel free to call on my department at any time, and as is said in New York State, "When in trouble other than motor vehicle accidents, call the Sheriff," and I will see you receive prompt, courteous service and a thorough investigation.

I submit to the Citizens of the County a list of the Deputies, the report of the County Jail at Portsmouth and a summary of the offenses for which the persons were committed to the Jail.

SIMES FRINK, *Sheriff*.

In as much as we have been approved by the American College of Surgeons, we were requested to have a Medical Director and a Record Librarian; namely, Dr. Edwin B. McLean and Miss Nancy Locke, were appointed.

In completing my report, I wish to add: Miss Doris Whitman resigned November 15, 1939. I took over the superintendency and I found the Hospital well organized.

Miss Doris Whitman joins me in thanking the County Commissioners, Mr. George E. Frame, Dr. Edwin B. McLean, the Medical and Nursing Staff, Mr. and Mrs. George Hilton and the entire Hospital personnel for their kind co-operation and loyal support.

Respectfully submitted,

ELIN M. NELSON, R.N., *Superintendent*,
Mitchell Memorial Hospital.

To the Commissioners of Rockingham County:

DEAR SIRs:

The reorganized staff of the Mitchell Memorial Hospital has been in effect since May 1, 1939. It gives me pleasure to report that the plan has worked very satisfactorily. I wish to express my appreciation to the physicians, who have, by their co-operation, brought this about.

In the medico-technical departments of the institution several necessary improvements have been added. These have enabled the fuller utilization of existing equipment and have reduced the number of tests which previously, at considerable cost, had to be sent to other institutions.

The organization of the record department has contributed to the better care of patients by keeping easily-available records and comparisons from which indications for further treatment can be obtained.

The co-operation of the nursing department has been exceptionally fine, for it has met the quick changes and re-arrangement of time imposed upon it by the new staff arrangement with facility.

The leadership of the former superintendent, Miss Doris Whitman, and her successor, Miss Elin Nelson, has been followed faithfully by the ward service, nursing and technical staff of the institution. I wish to express my appreciation to them all at this time.

Also, I wish to express my own gratitude and that of the staff for the advice and co-operation of the Board of Commissioners graciously extended to us in the past.

Respectfully submitted,

EDWIN B. McLEAN, M.D.,

Medical Director.

BIRD'S-EYE VIEW OF ROCKINGHAM COUNTY FARM BUILDINGS, MITCHELL MEMORIAL HOSPITAL AND
HOUSE OF CORRECTION

Superintendent's Report

To the Honorable Board of County Commissioners:

We hereby submit to you our annual report for the year ending December 31, 1939.

During the past year we have made a number of repairs and improvements, the most conspicuous one being the painting of the Farm buildings from the old red to white. This was made possible by a special appropriation by the Delegation, and labor from surrounding towns was provided by the County Commissioners.

Next in importance, the resetting of the boilers became necessary, due to the failure of the middle fire wall. This emergency was met by importing two portable boilers. Adequate steam was maintained so that no particular hardship was placed on the institution, in spite of the repair work being done in mid-winter. In following up this job, an automatic damper regulator was installed, and a new steam main put in, connecting the Farm buildings.

Because of the need for more room to house the Farm equipment, the old hennery was remodeled into an open-front carriage shed, with a stone-faced retaining wall, providing adequate space for driving in and out with the machinery. At the same time, one end of this building was partitioned off and two bull pens, each with safety breeding pens, were built. This relieves a very dangerous hazard, in that the bulls do not have to be handled at all when needed for service.

A slaughter house was built by partitioning off one end of the tool house and laying a cement floor. This relieves the unsightly and unsanitary condition which existed in using the front of the straw barn for this purpose.

With the addition of sliding doors, it was possible to convert the basement of the horse barn into garage space for the tractor and trucks.

In spite of the dry season, we feel that the crops did very well. We had a good crop of potatoes, along with the small vegetables. The asparagus bed was enlarged, and a new rhubarb bed set out. The pastures took the greatest set back from the drought.

It is certainly a pleasure to have had the various groups which were appointed by the Delegation come to visit with us. We feel that it will enable the members of the County Delegation to better familiarize themselves with the institution and its needs, and will be a distinct advantage to them in voting on appropriations for the Farm.

We wish to express to the County Commissioners our appreciation for their valuable support and co-operation during the past year; to the Staff, Dr. Fernald and Rev. Wallace Boardman, our sincere gratitude for their faithful co-operation; and to all organizations, social agencies and friends, who have so greatly helped in bringing good will and cheer to the inmates.

Respectfully submitted,

GEORGE W. HILTON, *Superintendent.*

DOROTHY F. HILTON, *Matron.*

Chaplain's Report

The Sunday services have been conducted twice a month, as usual. At these services, Mrs. Boardman and Dorothea Boardman have helped with special instrumental and vocal music. Mrs. Boardman has helped with the piano, and Dorothea with the violin. They have sung solos and duets. Others also have helped occasionally.

The Young People of the Brentwood Baptist Church repeated a Christmas Pageant at the Farm for the benefit of the inmates, which was much enjoyed.

The Chaplain has made pastoral calls from time to time upon the inmates and at the Mitchell Memorial Hospital.

The Chaplain appreciates the cordial co-operation of Superintendent and Mrs. Hilton, of Mr. and Mrs. Coffin, and others.

Respectfully submitted,

WALLACE S. BOARDMAN, *Chaplain.*

BRENTWOOD, N. H., February 7, 1940.

Physician's Report

*To the Honorable Board of Commissioners of Rockingham
County:*

At the beginning of another year, I submit another report concerning the inmates and conditions at the Rockingham County Infirmary. The health of the inmates has been about as usual, with less number of colds. We have had a large number of old, chronic cases that require a large amount of care. The sanitary condition of the Institution is good.

I wish to express my appreciation for the great help and co-operation that I have received from the Commissioners, the Superintendent, Matron, and all the Nurses.

Very respectfully,

FRED FERNALD, M.D.

JANUARY 1, 1940.
